The theme of the 1968 Era is connected with mosaics. Mosaics are works of art composed of many individual pieces which combine to form a whole. Each individual piece is unique in itself. This is also true of the people and activities connected with the high school. Each student, teacher, cook, secretary and custodian are individuals, yet when they all join together, we have one complete academic unit known as Bridgeport High School.

## What Is Graduation?

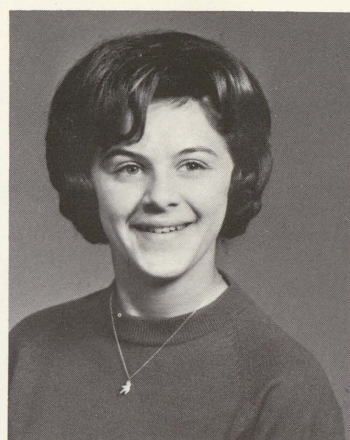

Graduation is an end,  
But also a beginning . . .  
The start of all the dreams  
That every graduate is spinning.  
Graduation is sighs and laughter  
Mingled liberally with tears,  
Lingering memories of one's sharing  
Life with classmates through the years.  
Graduation is conclusion  
Of one big phase of work and fun,  
A milestone passed, new things begun.  
Graduation is excitement,  
Speeches, farewells  
And applause, diplomas  
And a mortar board . . .  
The gate to pathways unexplored.

# STUDENT LIFE

Every mosaic must have some substance to hold it together. The cement of our school's mosaic is student life.

Student life unites and binds together the different pieces of our mosaic, making them into well formed patterns. It holds the pieces together and gives them a complete design. It also provides a smooth surface.

Student life is the participation in clubs, going to dances and attending plays. It includes meeting in the lounge or stopping in the hall to discuss the latest events. Sharing good times together and common interests are also a part of our student life.

A good mortar or cement makes this mosaic permanent. Therefore, a good student life, makes the friendships that are formed lasting, even when school days are past.

# Spirit Not Only But Entire

*Pat O'Dell, halfback on this year's football squad, makes posters for the poster contest.*

*Coach Frank watches as the first of the sprinters have a close tie for first place.*

*Above Center: Jill Fehrman leads the spectators in the school song.*

# Spirit Grows As Season Proceeds.

*Mr. Averill gives a pep talk to our student body.*

*Lena Shelton shows her enthusiasm at a pep assembly as she cheers for the football team.*

*Juniors cheer excitedly in hopes of winning the coveted Spirit Jug.*

Without spirit, our mosaic would be lacking in lustre and life, for spirit brings out the color in any event or creation.

Every activity includes spirit to a certain extent. Sport events bring forth spirit in a more visible degree than in any other activity. The making of a basket, the scoring of a touchdown or a home run bring forth a surge of excitement and feeling.

Spirit is not only present in sports, but also in any academic or social event. Preparing for Homecoming, serving on club committees or decorating the lounge at Christmas all take different levels of spirit to accomplish, yet spirit is always present.

Rewards for spirit come in different forms. The Spirit Jug is a reward for showing the most enthusiasm at an athletic contest. A feeling of accomplishment is the reward after a job well done. The ultimate reward however, is the receiving of the diploma at graduation. This achievement symbolizes many long years of persistent study, self-discipline, courage and above all, spirit.

# And Homecoming Begins . . .

*Using hand gesture, Lena Shelton voices her opinion on the up-coming homecoming events and voting procedures for the election of the homecoming queen.*

*Julie Novak and Bill Ryan concentrate seriously on applying spray paint to the float. Many people spent many hours of hard work to complete the beautiful float for the queen and her court.*

*The nine semi-finalists for Queen and her court were Sandy Dole, Donna Sivey, Julie Novak, Alice Spero, Jane Rutherford, Jane Frey, Lena Shelton, Lynn Ryder, and Bridget O'Brien.*

## A Multitude Of Activities

*Amidst the screams and cheers of the crowd, Miss Jane Rutherford, with shocked expression and happiness, is announced as our 1967-68 Homecoming Queen.*

*In joyful harmony this quintet sings in tribute to Queen Jane and her court. Left to right are Tim Pretzer, Pat O'Dell, Bill Ryan, Tom Looby, and Terry Huntington, singing a very fitting song, "Getting to Know You".*

*Before the Queen's Assembly began, students were able to admire the five candidates in the gym by means of the beautiful photographs arranged near the throne.*

# Highlight Homecoming.

On October 25, the fourth annual homecoming assembly was held. After the pledge, the procession, composed of the honor guard and the five finalists and their escorts, began.

As the girls reached the front of the gym, they stood and sang "These Are A Few Of My Favorite Things." Then Bob Boese, student council president, produced an envelope containing the name of the 1967-68 Homecoming Queen. With suspense rising, the girls all held hands and then Bob announced that Miss Jane Rutherford would reign as queen.

Queen Jane was presented with roses and then thanked the student body. After being escorted to her throne, Guy Falkenhagen presented her with a football and a kiss. The entire team then serenaded the court by singing "Getting To Know You."

A standing ovation was displayed as the girls and queen were escorted down the carpeted walk to end the assembly.

Earlier that day, the juniors held a funeral procession to display their hopeful win in the junior-senior game. However, they lost to the seniors by a score of 26-0. After the game, Queen Jane and her court reigned over a very successful street dance and bonfire.

*Alice, Donna, Jane, Jane, and Sandy join in singing "These Are A Few Of My Favorite Things".*

*Seconds after Jane's name is announced, her court congratulates her.*

*With taps sounding, Rudy Bolj, Jack Mason, and Dave Haenlein carry a casket in anticipation of the Junior-Senior game.*

*Before the announcement of the new exchange students, Iberis Trujillo, the exchange student from Valdivia, Chile, presents her country's flag to Mr. Strait, while Bernt Claesson, the exchange student from Falkoping, Sweden, looks on.*

On March 8, 1968, Bridgeport High School held its annual foreign exchange assembly. Six students were chosen to represent our school in Europe and Japan.

The program began with the Pledge of Allegiance, followed by Mr. Strait's introductory speech. Not long afterwards, the two exchange students, Iberis Trujillo and Bernt Claesson who attended Bridgeport, presented a flag of their country. The former exchange students gave a brief summary of their wonderful experiences. Then excitement rose as the time drew near. As the letters were read and as the students were escorted to the stage, tears and cheers filled the air. One of the highlights was when Mr. Tibbet who is involved in the Youth For Understanding Program, announced where our new exchange students would be spending the summer.

With the new exchange students still floating on air, the assembly closed, however, not completely. For many the memories would live on.

As in past years, a great deal of preparation went into the 1968 carnival. The Student Opportunities Club presents this annual activity every spring and provides a chance for all organizations to make money. Much hard work and careful planning go into getting schedules set up, ordering prizes, building the booths, and finally working on the actual activities.

On April 5th, everyone was ready and waiting for the fun-filled evening. However, the event had to be cancelled due to possible rioting from Martin Luther King's assassination. Two weeks later Bridgeport tried again and this time the carnival turned out to be a great success with a huge crowd attending.

One of the main attractions again this year was the dunking machine sponsored by the senior class.

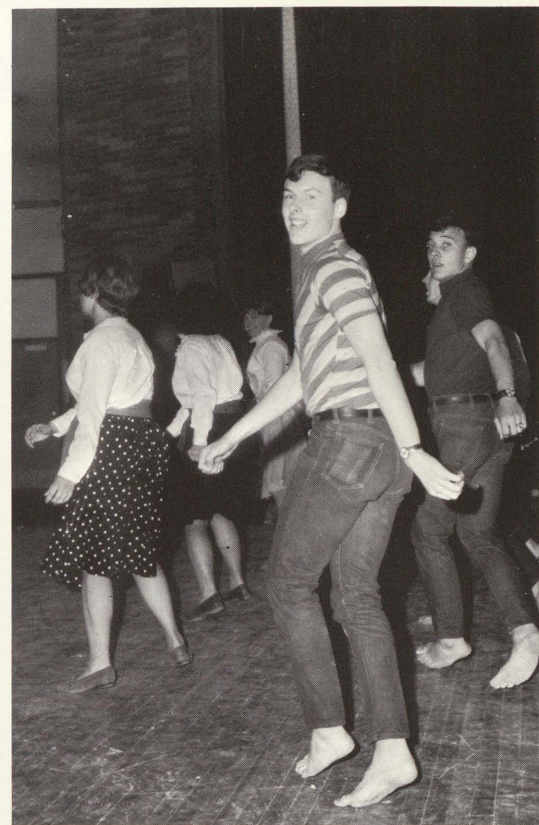

# In Carnival Atmosphere.

This money maker offers no prize, but it gives loads of laughs as people tried their skill at dunking friends. Young and old alike enjoyed tests of skills like the dart throw, ring toss, and the nerve tester. One of the more entertaining notes of the evening was a variety show put on by the seniors to raise money for future activities. All people in attendance agreed that the varied talents made for a worthwhile entertainment.

The proceeds from this event helped many organizations. S.O.C. benefited in that the money will help them support the exchange program, the seniors for their graduation activities and clubs and other classes for future events.

As the evening came to a close, the people realized how much time, effort, and money went into this yearly event.

# Pride Presented In Trio Of Assemblies

*Special guest speaker, Kay Johnson, gives a very interesting speech for our "Pride in Self" assembly, while the other speakers and audience applaud her.*

This year the students at Bridgeport were presented with a three-fold program in the field of pride. First of the hour long assemblies was about "Pride in Self". For this assembly, Bridgeport had, along with some of our own students, a guest speaker, Kay Johnson who gave a very exciting recitation. The second of the special programs was about "Pride in School". This centered around the activities and organizations of our school which are for the students. Each club and sport was represented by an active member in that particular area. The final hour-long presentation was entitled "Pride in Country." The choir and band played a major role in the event and the assembly was concluded by the Color Guard leading in the National Anthem.

## Honors Banquet Offers

On June 4, 1968, Bridgeport High School held its Sixth Annual Honors Banquet. The purpose of this banquet was to give recognition to the students, who in the past school year, had shown fine academic achievement.

Those who were there should recall the difficult, yet amusing time, in finding their seats. After the invocation, the dinner began. The food and the service were excellent. With the administration and the faculty serving, the banquet could not have been a failure.

When the program opened, Mr. Everett Woods, toastmaster, gave a humorous summarization of the happenings at

our school during the year. After Mr. Eugene Strait's toast to the honored guests, Mr. Dean Scott, a representative from Delta College, gave a memorable speech. Five of Bridgeport's students participated in the program. Judy Rix gave the invocation, Sandy Webb sang a solo, Margy Lingle read one of her poems, Alice Spero played a harp selection and Dennis Schrader gave the benediction. The balloons that were part of the decorations by the Freshman class also added to the program by popping at different intervals.

The honors banquet closed with everyone showing a great deal of satisfaction and pride.

*Alice Spero and Kinder Langschwager appear bewildered by the luscious array of food at the banquet.*

# Recognition To Deserving Students

# UNDERCLASSMEN

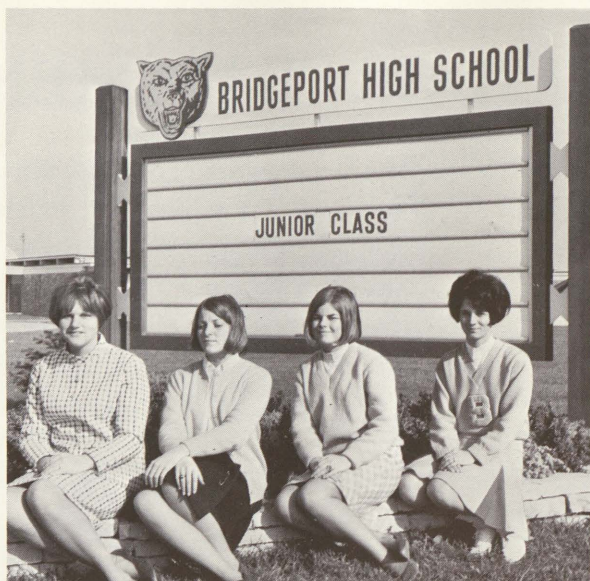

From the frightened somewhat apprehensive freshman to the confident self-assured junior, Bridgeport High School's underclassmen are a dynamic, stimulating group of young people.

Every creation, whether it is a mosaic, a painting or a sculpture, seems to change with the atmosphere and the mood. If the day is sunny the creation appears different than if the somber light of a rainy day finds its way to the work of art.

The underclassmen are very similar. This group is never stagnant but always active, always changing, always growing.

*The Junior Class officers are: Margaret Lingle (president), Valerie Sonnenburg (vice-president), Gale Willox (secretary), Jill Fehrman (treasurer).*

# SPORTS

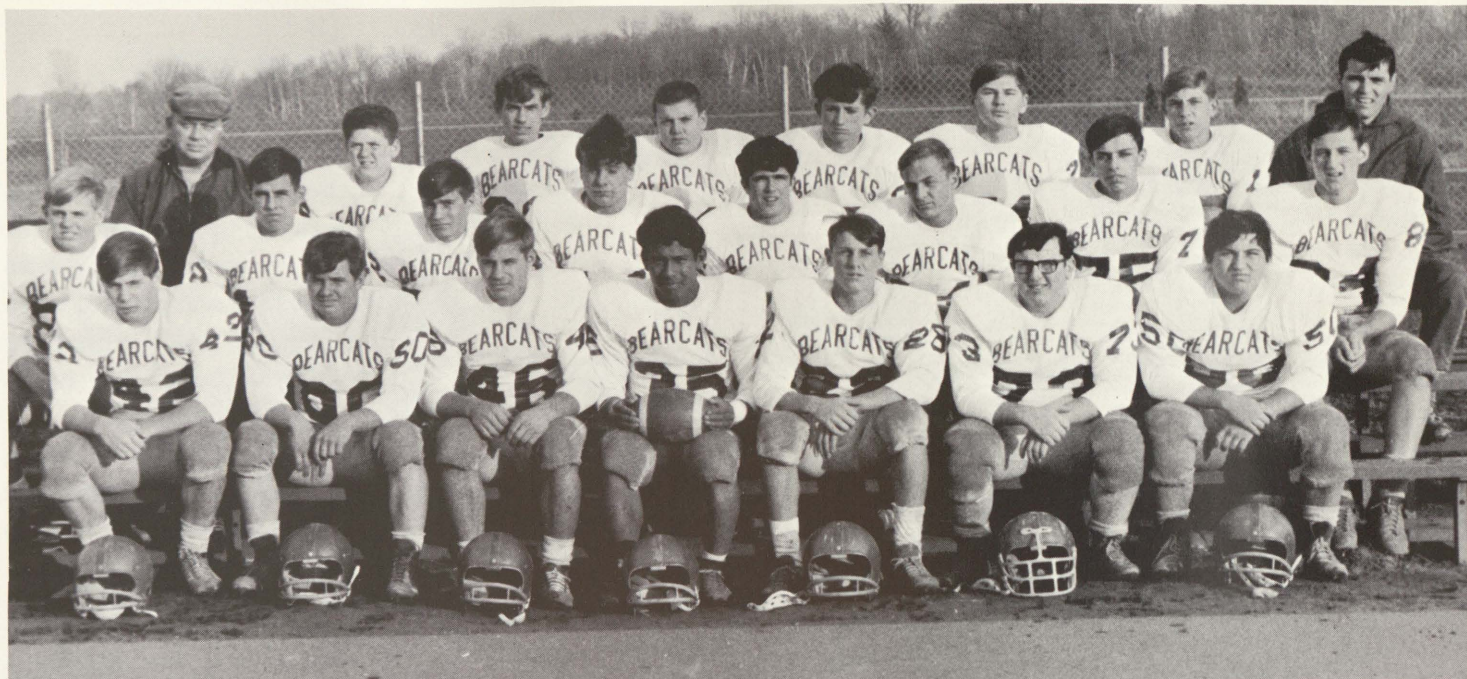

The coaches, athletes, managers, and all the students go into the make-up of one of the most exciting parts of our mosaic. The athletes do the actual playing, while coaches and managers are responsible for the work behind the scenes. Students encourage the players to do their best whether winning or losing.

Athletic activities build students in mind, body, and spirit. The age of the brawn and no brain athlete is gone. Exerting thought is now encouraged instead of just physical strength. Spirit is the encouragement given in support of the team.

Homer, the Greek writer, once wrote, "There is no greater glory for a man as long as he lives than that which he wins by his own hands and feet."

## Junior Varsity Tallies

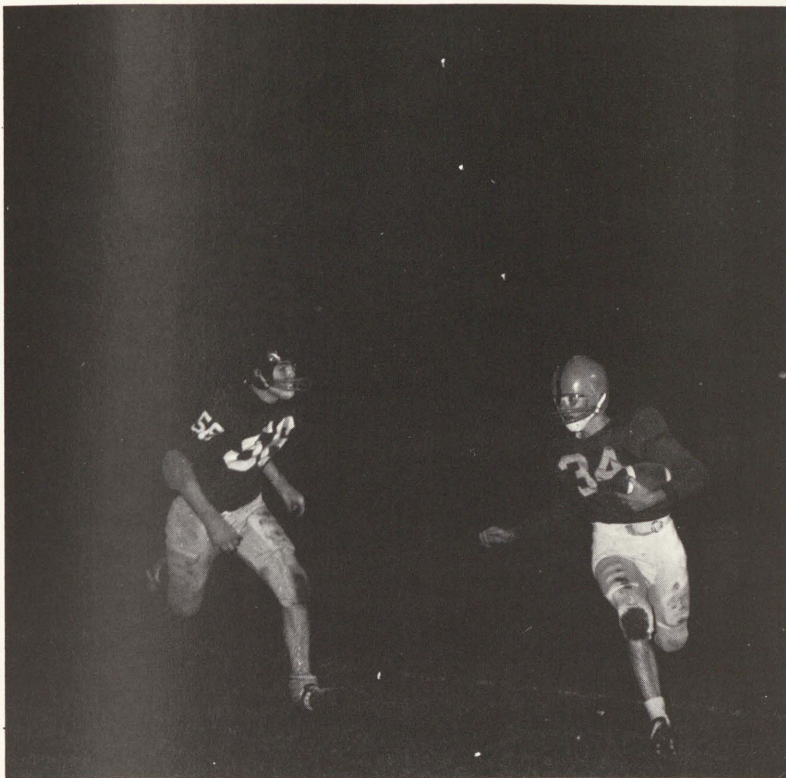

*Coach Bruce Jepson presents John Elizalde with the Most Valuable Player award at the sports banquet.*

Although a season record of 3-5 may not seem very impressive, it can be said that the rugged Junior Varsity squad will be heard from in the future.

As the season started, things looked grim for the junior Bearcats. With school starting three weeks late, the team was behind in training. As a result, the team lost its first four games. Then the table began to turn. Bridgeport captured its first victory by defeating John Glenn. Although they dropped the next game to the hard-hitting Midland Chemics, they went on to win their final two games with shutouts.

The year's work can probably be summed up best by Coach Bruce Jepson. "After a delayed start in the fall, both Mr. Lord and myself felt that the players came on and finished well. Their playing was very spirited as we won our last two games by shutouts. Several of the players proved to themselves that they were football players and deserve a chance to play on the varsity next fall—and they will play too."

# Bearcats Finish Season

THE 1967 VARSITY TEAM, ROW ONE: Manager Jerry Beck, Manager Randolph Tarantino, Bill Ryan, Bob Boese, Terry Huntington, Tom Looby, Pat O'Dell, Steve Mangutz, Ron Lake, George Psetas, Jim Whiting, Elmer Dey, Gene Hopper, Dennis Tappen, Coach Mike Pintek. ROW TWO: Coach Mike Howard, Manager Byron Reed, Dave Stack, Dennis Dunning, John Sivey, Terry Remer, Guy Falkenhagen, Mike Whiting, Lyn Drieleck, Tim Pretzer, Terry Sanderson, George Kralosky, Coach Joe Kousak, Manager Tom Haas.

The 1967 Varsity Football Team found the going rough this year as bad weather hampered their attack and limited them to a 2-7 season. Coach Mike Howard's plan for an air attack was destroyed as the team faced either snow or rain in six of their seven games.

In their first encounter, Bridgeport met their crosstown rivals, Douglas MacArthur. Although the weather was the best they had all year, the Bearcats could not seem to motivate their forces and dropped the game 44-0. This defeat started a five game losing streak for the team as they lost to Flushing, Buena Vista, Alpena, Mr. Pleasant, and John Glenn.

The Bearcats finally came through with their first victory homecoming night. With the spirit high, the Bearcats came through to defeat the Cadillac Vikings despite a field covered with three inches of snow. Next, the Bearcats traveled to Lansing Waverly and played a hard game on a water covered field. With freezing rain continuing throughout the game, Bridgeport's attack was lost and they dropped the game.

Finally the Bearcats met Clio in the last game of the season. Although rated as the underdog, the team played a hard, spirited game and shut out a team who had in the previous year defeated them 54-0.

# Best Season Yet For Cross Country Team.

*Sophomore Tom Rutherford displays good form as he nears the end of a long run.*

*Coach Doug Frank tallies scores from the Buena Vista meet as spectators anxiously wait for the results.*

*Runners move out at the opening of a quadrangular meet.*

The Bridgeport Cross Country Team by far had their share of happy moments in the 1967 season. Out of six dual meets they were defeated only once. They also made strong showings in invitationals and the Class A Regional.

In dual meets the Bearcats soundly defeated both Vassar and Flint Carmen as they came through with perfect scores of 15-40 and 15-44, respectively. They also defeated Mt. Pleasant 27-30, Buena Vista 27-31, and Douglas MacArthur 19-39. In their final dual meet they were defeated by the Alma harriers as a close score of 27-28 resulted.

Two invitational meetings also showed the strength of the Bridgeport harriers. In the Napoleon Invitational the Bearcats placed sixth out of nineteen teams while in the Vassar Invitational they were the victors as they compiled a score of 40. Mayville was the second place team with 52, then Reese with 80, Laker High 111, North Branch 113, and Vassar 130.

Finally the Bearcats took part in the Class A Regional at Flint. They finished ninth out of nineteen teams. Two runners, Darrel Boese and Kevin Hiberson, qualified to run in the Class A state Individual Run at Ypsilanti. At Ypsilanti Kevin finished fifty-fifth and Darrel seventy-third.

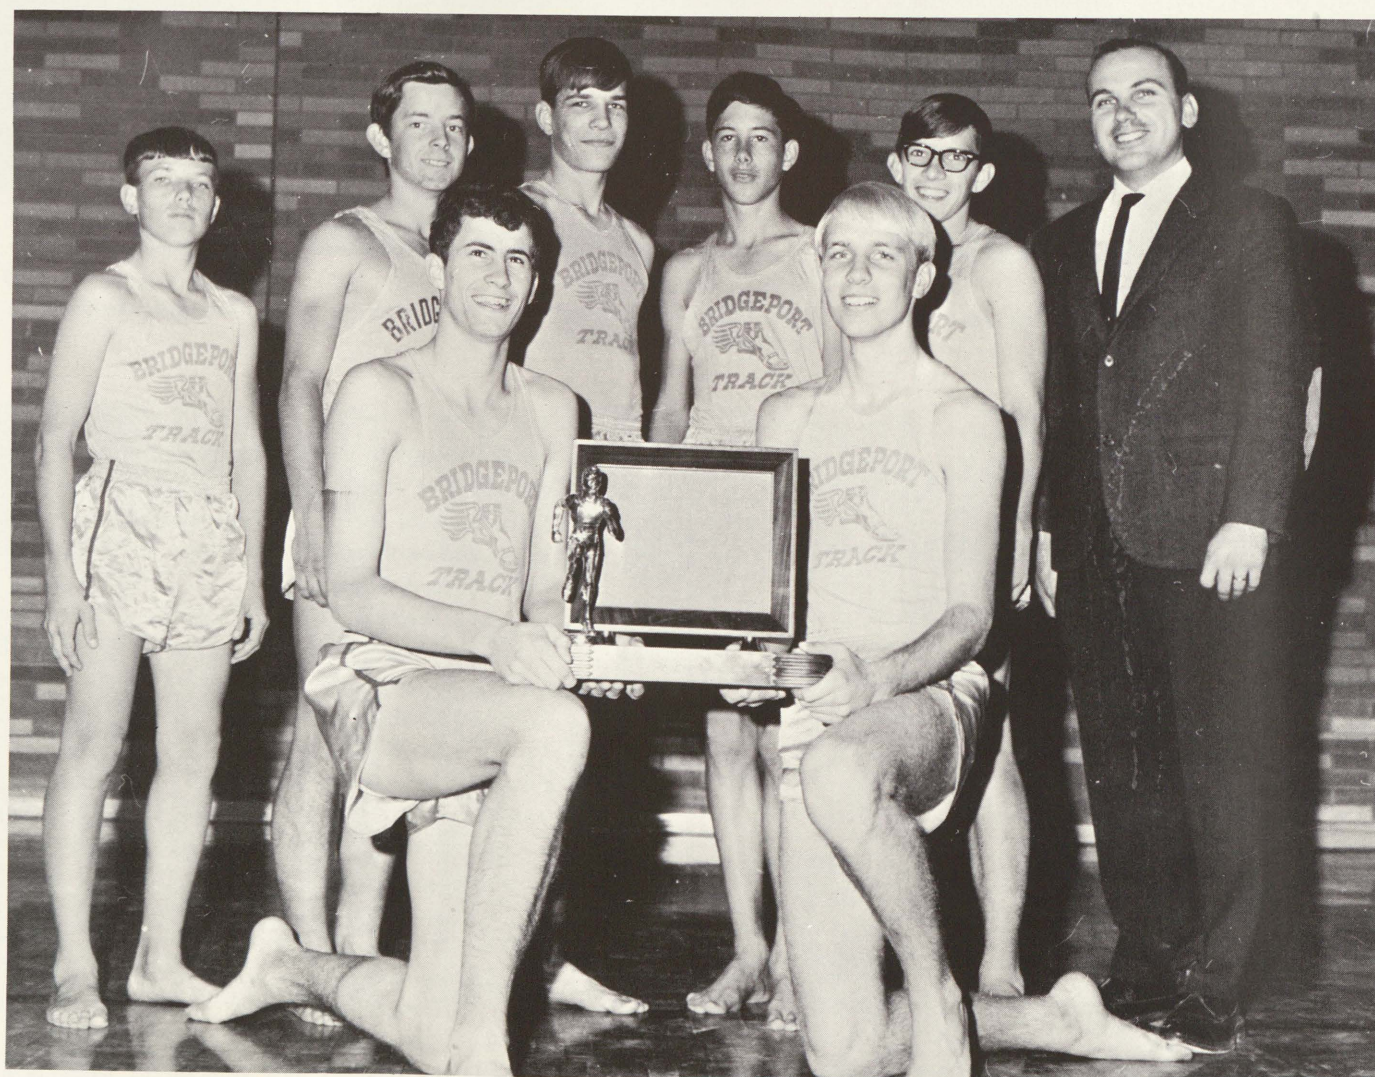

# Cross Country Team Captures

Although the Bridgeport Cross Country Team had many bright moments in their 1967 season, the most thrilling was capturing the White Pine Conference Title.

Throughout seasonal meets within the conference, Bridgeport compiled a 3-0 record. In their first meet, the Bearcats showed good form and team effort and defeated Douglas MacArthur 19-39. Next, the team ran against the Buena Vista Knights. After the final tally, Bridgeport found themselves on top by a four point margin with a final score of 27-31. Finally, the tough Mt. Pleasant Oilers visited the Bearcats. Both teams ran a hard and spirited meet but Bridgeport found themselves the

victors with a close score of 27-30.

The long awaited conference meet was by far the best display of team effort. In the biggest meet of the season, Kevin Hibberson, Gary Wilkey, Tom Rutherford, and Darrel Boese took the first four places respectively. With their fifth man, Brad Boese, taking twelfth place, the Bearcats had a total score of 22. This score set a record in conference scoring and secured a safe victory as second place Mt. Pleasant scored 35. The other two conference teams, Douglas MacArthur and Buena Vista, scores were 79 and 97 respectively.

ROW THREE: Kevin Hibberson, Ken Fowler, Dan Beebe, Joe Nunamaker, Barry Christophere, Steve Albertson, and Coach Mike Howard.*

At the end of the season the Junior Varsity basketball team had a record of 9-10 which they can be very proud of. The junior Bearcats gave much of their time and energy in practices and games like most other teams do. However, Bridgeport's devotion to the game itself as well as to their school really showed through this year. By defeating many of their chief rivals and by winning the St. Peter and Paul's Christmas Tournament, the team not only gained the needed experience but also recognition for their fine teamwork. Whether the team was winning or losing, they tried their best. Just from their attitude, Bridgeport can be assured that it will have some fine basketball teams in the future.

### District Tournament

Douglas MacArthur	48	69
-------------------	----	----

The 1967-68 Varsity Basketball team had its ups and downs this year, but they did manage to give the fans something to be proud of. The team finished with a 5-12 record which is a more successful season than the school has had in recent years.

In some of their more exciting games were those with St. Pete's, Carrollton, and Douglas MacArthur. In the St. Pete's game, the Bearcats came out the victors with a close score of 72-71. The Carrollton game showed the same results. This game was little more exciting because we won the game on a free throw by Bob Wetherbee with the clock showing no time left in the game. The MacArthur game, however, was the best of all. The crosstown rivals were highly favored to win, but the Bearcats were determined to win and they did. It wasn't just a victory, but a great victory.

The Bearcats won two out of their last four games and then went on to play in the district tournaments. Here they were defeated in the first game by the strong Douglas MacArthur Generals.

# For A Good Season And Accomplish It.

The 1967 Girls' Volleyball teams had very exceptional seasons this year. Both the first and the second teams lost only one game during their seasonal play and compiled an almost perfect record.

Besides having such a good record, the first team earned itself another honor. This squad participated in the All-Conference Delta Tournament at Delta College. They swept the tournament by winning twelve games. Besides these twelve games, they went on to defeat the Delta College Women's Volleyball team. With honors like these, the volleyball teams can surely say they had a very successful season.

# Strive For Pep And Spirit.

Preparing pep assemblies, arousing spirit, and smiling when the going was rough are just a few of the things that the cheerleading squads of Bridgeport accomplished this year. Although the varsity basketball and football teams faced frustrating seasons, they always made the comment that the spirit was tremendous. This statement was a welcomed and happy one because the squads realized they had accomplished their goals.

Behind the scenes, one could see the squads working after hours to get that last little detail to a cheer or routine. One also could have seen them painting a spirit sign or signing students up for a bus. Yes, the cheerleaders were busy girls, but they found much enjoyment and satisfaction in their work.

## A Tough 33 Game Schedule.

This year's varsity baseball team finished the season with a record of 25 wins and 9 losses. Senior left-hander Art Jimenez had a fine season for the Bearcats, posting a 8-3 overall record and a 2-2 in the White Pine Conference. Art threw two no-hitters which is a new record at Bridgeport.

Coach Bruce Jepson commented that the team was a very good defensive club and that they took advantage of the other teams' mistakes. He went on to say that the team played one bad ball game, the 6-0 loss to Douglas MacArthur. All in all however, Bridgeport had a fine season.

# Fall And Spring Sports Banquets

The annual sports banquets proved to be very successful this year. Both the fall and spring sports banquets were held in the Bridgeport High School cafeteria and all the athletes from football, cross country, basketball, baseball, and track were honored.

At the fall sports banquet, ten trophies were awarded to those players who had done that little extra during their season's play. Besides these awards, each individual team member was recognized by their coach.

The spring sports banquet followed almost the same pattern as the fall banquet except that over thirty trophies and the Crown Sportsmanship Trophy were awarded. The Crown Sportsmanship Trophy is awarded to the most deserving athlete who displays good sportsmanship off and on the field and the recipient of it this year was Tom Looby.

*Darrel Boese receives his Most Valuable Player Award from Coach Doug Frank.*

*Award winners at the Fall Sports Banquet: ROW ONE: John Elizalde, Most Valuable JV Player; Bill Ryan, Best Offensive Play; Darrel Boese, Most Valuable Cross Country Player; Dennis Tappen, Best Block and Outstanding Lineman of the Year; George Kralosky, Most Improved. ROW TWO: Ron Lake, Best Tackle; Pat O'Dell, Humor Award; Tom Looby, Most Desire; Jim Whiting, Best Defensive Play; Terry Huntington, Most Valuable Football Player.*

# ORGANIZATIONS

Organizations, which consist of groups of individuals united for a common end, play an important part in our school's mosaic. The mosaic is enlarged and filled out more completely by these organizations.

The reasons for forming these organizations can be either to improve the school or to improve the students' interest in a particular area.

Belonging to an organization can mean a great deal to a student. He will be able to work with his friends and also new acquaintances in a field that is of interest to him. He will have a chance to express his ideas and to show his talents.

Without organizations, our mosaic would be incomplete.

Mr. Fader and Mr. Klump, the band directors at Bridgeport, have led our various bands through another very successful year. The students worked a great deal on practising both during school and their own spare time. All of this added effort was not wasted as they have won honors proclaiming them one of the best bands in the area, and have made the band department proud of its students.

Some of the events that the bands have played for are halftimes at games, special assemblies, and "Bye Bye Birdie". A few momentous occasions in which they participated are the Bavarian Festival in Frankenthuth, and the Ox Roast in Bridgeport.

Many other things are taught in B.H.S. other than just the three R's. One of the non-academic areas that is offered is Music. In the classes that comprise the music department, students are given the opportunity to develop and display many talents. The choirs have uncovered singing abilities, and instrumental music has, developed talents in that area. The department also provides entertainment for the community and school. Sopranos, tenors, altos, and basses combined to form the Art Choir. This four part group, along with the Glee Club, ninth grade Choir, and the newly formed Madrigals, put forth much time and effort preparing for their musical programs. This year they sang at the Christmas concert, Spring concert and for Baccalaureate.

The Band and Vocal music departments combined to put on a Broadway musical entitled "Bye Bye Birdie". The funds acquired from this musical allowed the departments to purchase new equipment.

# Throughout The Year.

Our French Club, now known as Le Cercle Francais, has been trying to improve its purpose and its activities. To help the members gain a better understanding of the French language and culture, the members have tried to make the meetings more beneficial. They had a former exchange student show slides of France and they decided to order French Club pins for the members. Through money-making activities, such as having the French Cafe during the carnival, the French Club raised funds that were awarded in two scholarships to deserving students at the end of the school year.

Those who are taking Latin or who have taken it already, have had the opportunity to develop their interest in the ancient Roman way of life by being members of the Latin Club. This club has had many activities including: the Christmas party,

having special booths at the carnival, and a Roman banquet. In referring to the banquet, the members dressed in togas and tunics. During the occasion, they ate food in the same manner as the Romans did and afterwards they auctioned off slaves. The Latin Club members have made plans to attend the Junior Classical League Convention.

Another important language club at our school is the Spanish Club. The members have had activities similar to those of the other language clubs, but in keeping a Spanish theme, the members made this past school year an especially enjoyable and worthwhile one.

These clubs have helped students understand the language and the culture of the specific countries.

*The members of the Spanish Club are: Randy Catterfield (vice-president), Sandi Popp (president), Barb Anderson (secretary). *Betsy Hagerl and Mike Bennett receive last-minute instructions before broadcasting the Morning News.*

The Bridgeport Broadcasting Club acquaints students with modern television techniques used in professional presentations. Special assemblies are also produced throughout the year with the help of B.B.C.

The club also serves the school by buying equipment for the studio with money made from the Carnival and its annual Steak Fry, and hopes to use the proceeds to purchase a projection screen, a new microphone and a turntable.

*Pat Bartlett, Deb Schaad, and Ray Shaver work diligently to produce an interesting telecast.*

*The Alabama Banana Brand Band plays for the noon performance "The Happening".*

Art is the application of skill and knowledge in a creative effort to produce works of feeling and beauty, as in music, paintings, and sculpture. With this in mind, the Bridgeport Art club was formed.

Under the guidance of Mr. Manuel Lopez, the art club has explored many different forms of art. The club also sponsored a noontime assembly with the Alabama Banana Brand Band.

To broaden the club's views on art, the members visited many museums. Finding art in music, the club went to Detroit to see Trini Lopez; and on another trip, to see Johnny Mathis.

# F.T.A.'s Outlook Improves.

Another club which has an important purpose and is working hard to achieve it, is the Future Teachers of America Club. Its purpose is to encourage and prepare students who are interested in entering the teaching profession. The club tries to achieve its purpose by providing opportunities to gain experience in teaching. During the past years, many of the club members have felt that they have had activities which have not really attained their goals. During this past school year, the members have been trying to improve their meetings, as well as outings, by making them more meaningful. By changing their constitution, buying a club scrapbook, having some of their members participate in the READ program, and having made plans to attend the Michigan State University, the Future Teachers are well on their way.

*President Barb Rubert and Vice-President Bill Wuerfel work on the new club scrapbook.*

*Gale Willox and her escort take a few minutes break at the Valentines Dance sponsored by the Biology Club.*

The purpose of the Biology Club is to further the knowledge of Biology for all interested students. Advised by Mr. Sommer, the Biology Club is known for its activeness. The past activities include a field trip to the Beaver Dams on May 21. Following this, two other weekend field trips to Long Lake were taken. The Biology Club also did some landscaping for the school during May. Movies and study nights often highlight the evening meetings of the club. This school year the Biology Club has continued to attain its rating as an active organization. A dance on February 17 was put on jointly with the help of the Speech Club. A basketball game was also put on between the faculty and the WKNX DJ's on February 27. This last event was a lot of fun and claimed a success by all of the school body.

# Speech Club Seeks Hidden Talent.

*The members of the Speech Club are: Bobbie Sue Trondson (vice-president), Dawn Thiel (president), Rosanne Schomaker (secretary), Paul Schissler (treasurer). ROW THREE: Tom Tapia, Bruce Brown, Rex Patelski, Jeanne Stevens, Sandy Popp, Barb Anderson, Lois Huber.*

*Dave Musselman plays, "Music To Watch Girls By", as "The Girls", stand behind him at the opening of the show.*

Speech is the ability of expressing thought and emotion by spoken words. Therefore, for those who enjoy speaking, Speech Club was formed.

The main goal of the Speech Club this year is to earn enough money to pay for the forensics contest, in which Bridgeport has participated for the past two years. The Speech Club would also like to sponsor a speaker for Pride Week.

The members of the Speech Club worked hard in order to put on a noontime variety show. They displayed a great deal of imagination in the six acts that the show provided.

The members of the Speech Club not only get a chance to talk before audiences, but also to display their talent in other ways such as the variety show. They receive much experience in the different areas of public speaking, which will aid them in the future.

# Student Opportunities Club Has A Successful Year.

*The members of the Student Opportunities Club are: Sue Lingle (recording secretary), Betsy Hagerl (corresponding secretary), Barb Rubert (president), Berndt Claesson (exchange student), Connie Rovoll (vice-president), Deb Schaard (treasurer). ROW FOUR: Darlene Ulmer, Ann Leach, Jane Rutherford, Cheryl Alsgaard, Sue Godi, Ken McNally, Rudy Bolf, Pat Popp, Alan Reynolds, Mary DeGuilo.*

The Student Opportunities Club, known to almost everyone as S.O.C., is composed of students from all classes. The students work hard to promote international understanding and to raise funds for exchange students.

The members of S.O.C. have tried to improve the club meetings, activities and the club itself. By revising the club's constitution, its policy on membership and other essential things, S.O.C. has taken on a new and better look.

S.O.C. has tried to promote international understanding by welcoming and inviting the foreign exchange students to our club's activities. The exchange students who attended our school this year were Bernt Claesson, from Sweden and Iberis Trujillo from South America.

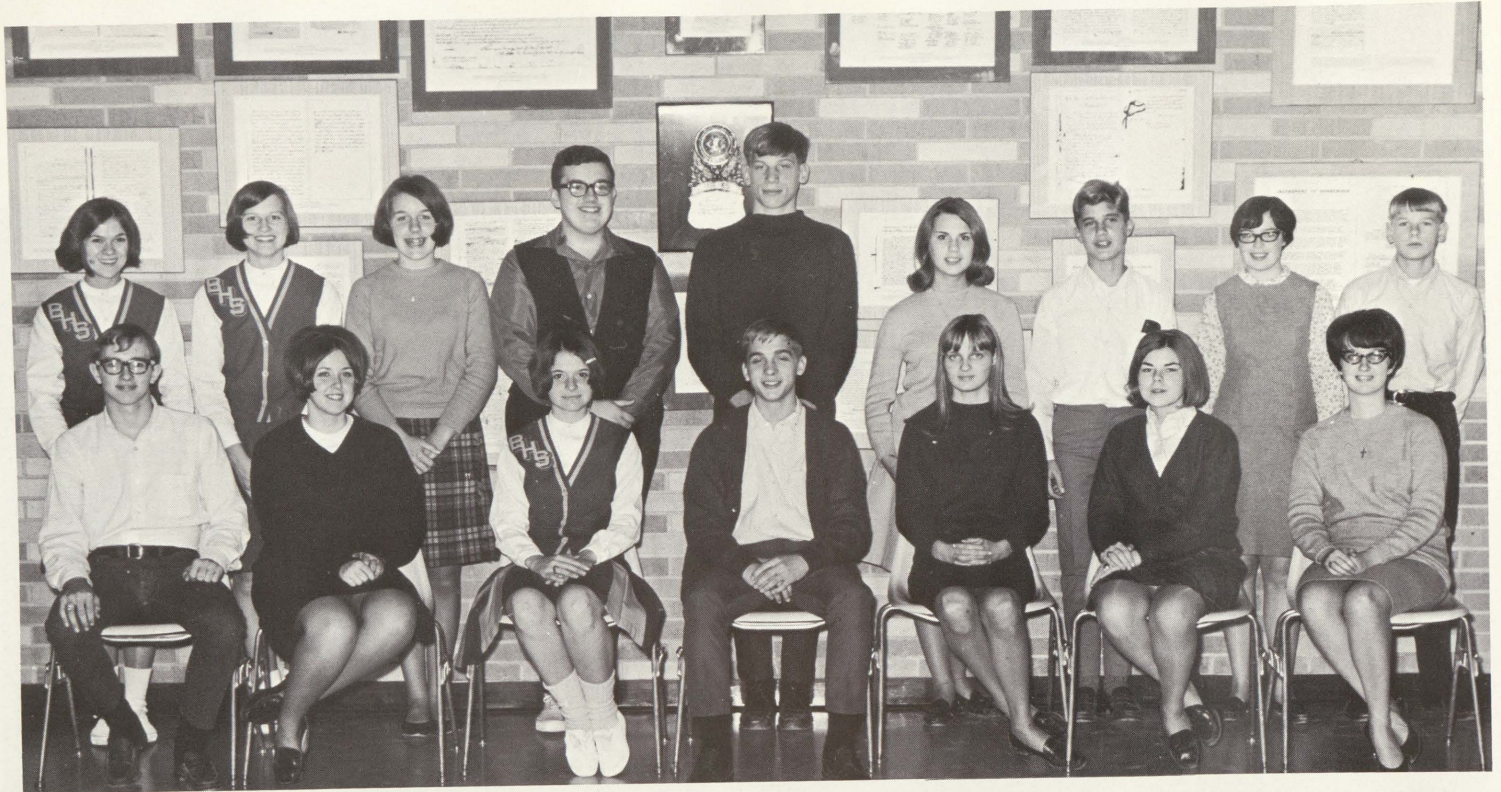

During the past school year S.O.C. has had many activities to raise the needed funds for the exchange students; such as sponsoring a fish fry, a bake sale, a card party and other activities. The main event sponsored by S.O.C. is the carnival which has been a great success through the years.

Since S.O.C. is always seeking to improve, and all activities have been well attended, S.O.C. has become known as one of our school's most active and successful clubs.

*Darlene Ulmer and Betsy Hagerl work together to serve Paul Schissler at the fish fry put on by S.O.C.*

*The Student Council members are: Paul Schissler, Bobbie Sue Trondson (charter committee chairman), Sandy Wiese (treasurer), Jerry Holmberg (vice-president), Sandy Dole (secretary), Gale Willox (corresponding secretary and activities chairman), Nila Gerken. ## Student Council Takes On A New Look.

The Student Council is a hard working organization composed of representatives from each class. One of the many goals of the student council is to maintain good relations between the administration and the student body, by serving both in the best way it knows how. Being composed of separate committees, yet all working toward their goals together, the student council fulfills many responsibilities which are sometimes unnoticed.

The student council tries to solve club, class, and other problems which arise during school. Through funds from their milk machine and other money making projects, the council buys decorations for special events, such as homecoming. The student council office was one of the projects accomplished this past year.

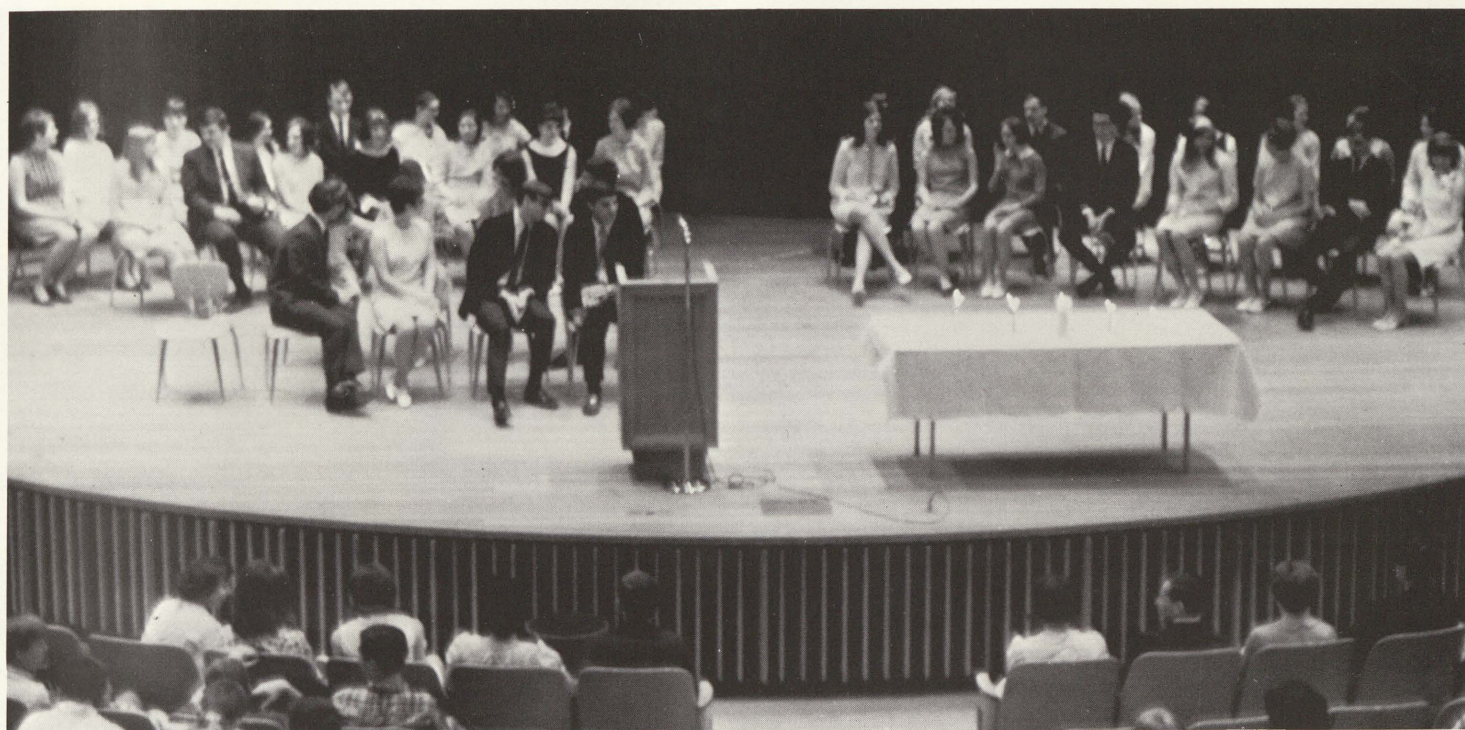

In order to arrive at ideas on how to improve our school the student council sponsors student exchanges with other conference schools. This past year there has been an exchange of students with Buena Vista High School and Mt. Pleasant High School.

# Honor Society Synonymous With Distinction.

*The National Honor Society held its annual assembly on May 22. Seated on stage are eight student speakers, who have belonged for one year or more, and the 32 new members received into this organization in 1968. The remaining juniors and seniors who make up the membership are seated in the front row of the auditorium.*

*Members of the 1968 National Honor Society are: Jeanan Lapprich, Sue Lingle, Bridget O'Brien, Bonnie Muehlfield, Vikki McMullen, Kathy Bently, Connie Rovall, LouAnn Linton, Sue Iwen, Bill Goodall, Cheryl Sendtke. One of our school's most well-known and popular clubs is the Drama Club. Through many activities, which are open to all students, the Drama Club fulfills its purpose by providing opportunities to develop and advance in the field of drama.

By having plays and the pizza parlor in the Carnival, the members are capable of raising enough money to buy materials for their activities. The two main activities performed by the Drama Club this past school year were the Christmas play and the annual spring play. Just before the holiday season, the Drama Club, working with the Broadcasting Club, presented "The Great Santa Claus Sit-in." With time and effort from many people at our high school, the Drama Club presents each year a spring play which shows a different type of drama. New ideas and ways of presenting and improving these plays are gained by members attending Pit and Balcony performances.

# Pep Club Is Origin Of School Spirit.

Promoting spirit, in many different ways, is the main objective of the Pep Club. Colorful posters exhibited in the halls display the artistic energy of some of the members of this club and entertaining skits at the pep assemblies show spirit in the dramatics field. Bus transportation to away games is often supplied with the help of the Pep Club, thus enabling the students to show their support as a combined unit. Money is raised by yearly dues and a booth at the annual carnival and this year the club hopes to use these proceeds to buy capes for our cheerleaders.

*These Pep Club members worked hard to put on a humorous skit for our enjoyment at one of our pep assemblies. Standing in position are Sharon Boos, Alice Spero, Anne Schumann, Cheryl Alsgaard, Coach Averill, our Bearcat (Rosie Seeber), and Marty Ferriby.*

# Human Relations Create Friendly Alliance.

The Human Relations Club at Bridgeport High School has been successfully fulfilling its purpose this past year. The members of the club have been working hard to help better relationships throughout the community and establishing true friendships and understanding with others who are not as fortunate as they are. With a glance, these members see what can and needs to be done. The important factor is that they do something about it. During the year the Human Relations Club has had many projects. For Thanksgiving the members visited a nursing home and helped cheer up elderly people. During the Christmas season, in operation "Santa Claus", they gave gifts of toys and clothing to needy children. Through these and other activities, and the actions of the members, giving of their time and energy, the Human Relations Club has become known as one of our school's most worthwhile clubs.

# Ordinary Interests? Not At Campus Life.

*The members of the Campus Life Club are: Margy Lingle, Connie Hawley, Chris Thies, Lou Ann Linton (treasurer), Beth Wagner (president), Glenn Boese (vice-president), Amy Thick, Vicki King, Jerry Holmberg. ROW TWO: Monica Finazzi, Judy Rix, Tim Beuthin, Brad Boese, Doug Smith, Dave Musselman, Sue Lingle, Arleen Baker, Chris Miller (secretary), Cathy Buckner.*

The Balanced Life Concept is the basic formula for the Campus Life Club. The concept is based upon all four areas of life; social, physical, mental, and spiritual. The club has participated in many projects such as the Teen Target Retreat, Sweetheart Contest, Carnival USA, and an assembly which featured the Bordermen. Under the direction of Don Yoder and advisor Miss Gabriel, this year's club gained added strength toward living a useful and successful life.

# Enjoyment With Safety.

*The members of the Snorkel Snoopers Club are: Bruce Wegner, Tom Clark, Cred Brueck, Ron Murphy, Lamont Carl (secretary), Ken Mertz. ROW TWO: Chris Ferdon (president), Jan Hudson (vice-president), Linda Peaphon, Wilma Shur, Randy Bhirdo, Don Braley, Sandi Popp, Rocky Grisez.*

The two clubs having the most to do with athletic activities are the Ski and Scuba Club.

The Ski Club was organized to organize a group of students together for the purpose of learning the skills and safety of skiing. Many falls were taken as a result of icy hills and hampering weather conditions, but no serious injuries occurred. Their trip for the year was to Caberfae, where they enjoyed skiing on a large slope.

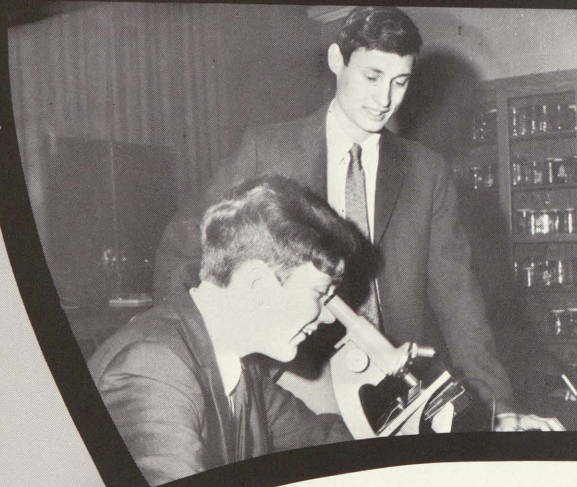

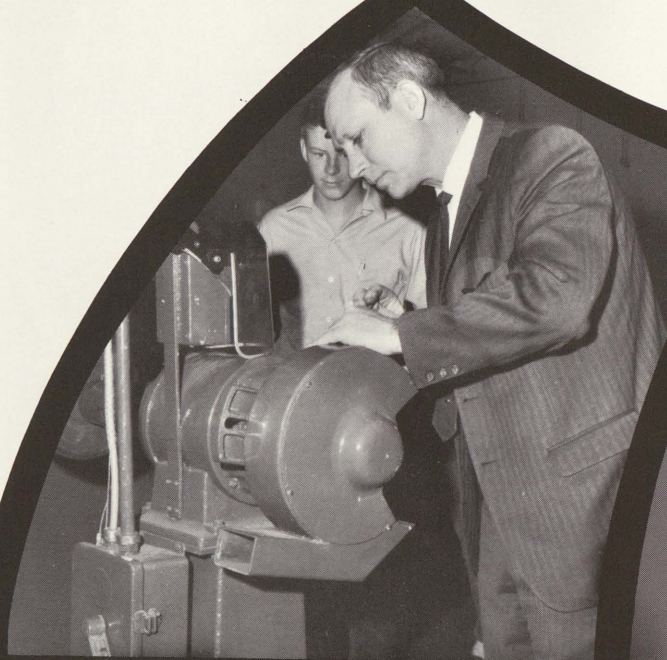

The Scuba Club is an organization in which students learn the basic techniques of using underwater breathing equipment.

Both of these clubs not only strive toward safety and excellency in their skills but also enjoyment.

# ACADEMICS

In order to build a mosaic, skilled workers are needed to operate the tools. This group of craftsmen are made up of teachers, secretaries, cooks and maintenance. The tools that they use are knowledge, patience and experience.

These workers are of great importance in the development of our student body. They help students in every phase of their education, whether by instructing them or by making the school a pleasant place in which to learn. They help prepare the students for future life and also aid them in becoming better citizens.

MARTIN G. ATKINS

Since Mr. Atkins' arrival at Bridgeport in 1963, area schools have greatly improved. Many signs of success, to prove his competence, have been made in occupational and curricular areas.

Mr. Atkins is a graduate of Hillsdale College with a BA and MA degrees.

Altogether his experience in education equals nineteen years.

His personal philosophy is as follows: "Reaching forward to life's goal is made up of a few big achievements and a great many little ones. Our daily job involves the continuous investigation of the obvious and the continual struggle to do everything better, the elimination of the superfluous and the receptive but critical attitude toward the new."

RIGHT: Mr. Atkins confers with Mr. Wm. Holloway, Mr. Wm. Case Sr., and Mr. Fred Immer.

# School Board Through Active Year.

*Members of the Board of Education are: FIRST ROW: Mr. Otto A. Schluckebier, Mr. Richard Leach. SECOND ROW: Mr. Fred M. Schrab, Peter T. Chisean, M.D., Jack L. Berry, M.D., Mr. Burt W. Hillier, Mr. George M. Guenther.*

The major decision making body of this school system is the Board of Education. This group of dedicated men have been striving for educational perfection. They never fail to serve the Bridgeport schools in a manner which they feel will improve educational opportunities.

Many things were undertaken by the School Board this year. During the meetings, which were held the second Monday of every month, they discussed such topics as an open campus and the smoking area.

Mr. Atkins acts as an advisor to our School Board.

The officers of this efficient organization are as follows: President, Mr. Burt Hillier; Secretary, Mr. Otto A. Schluckebier; Peter T. Chisena, M.D., Mr. George Guenther, Jack Berry, M.D., and Mr. Richard Leach Sr., all Trustees.

MR. STRAIT, PRINCIPAL

Mr. Strait, now in his 18th year of educational service, has many ideas for the development of our school system. During the last five years as our principal, he has been successful in accrediting Bridgeport High School with the University of Michigan.

When asked what his philosophy of life was, he said, "Every individual can accomplish any task he may set for himself if he truly believes that it is worth doing and that he can do it."

*ABOVE: Mr. Burrows and Mr. Callard talk over a problem as Mr. Strait listens attentively.*

*LEFT: Mr. Burrows and senior Steve Howe enjoy a friendly discussion with Mr. Strait.*

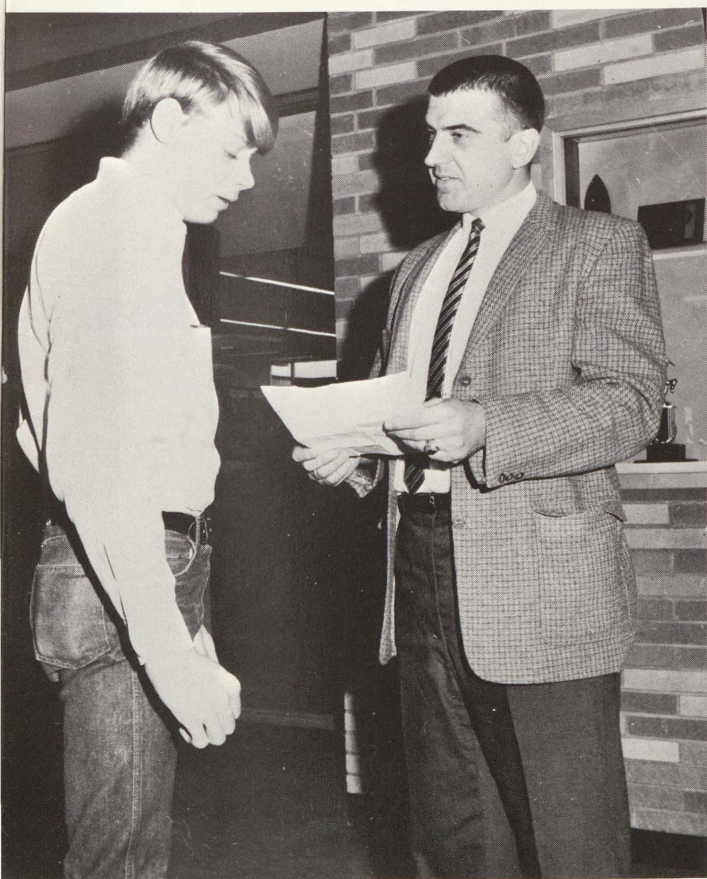

# Headed By Able Leaders.

Our newly appointed assistant principal is Mr. Clifford Klein. Before receiving this position, he served as chairman of the Social Science Department, here at Bridgeport High School. He also taught classes in psychology, world history, and government.

Mr. Klein's philosophy of life is, "Basically man is good. The school, using all its resources, should endeavor to recognize this quality and encourage its development."

MR. KLEIN, ASSISTANT PRINCIPAL

*Mr. Klein takes time out of his busy schedule to talk to Joe Gilles.*

*As athletic director, Mr. Klein works closely with our coach, Mr. Howard.*

MR. OMBRY, DEAN OF STUDENTS

## Dean Of Students Help Students

Bridgeport High School's dean of students for the past three years has been Mr. Joseph Ombry. As dean of students, he has many various duties to perform. It is his duty to supervise students from a disciplinary view. Discipline does not have to mean a punishment, but instead a limitation to which Mr. Ombry must attach a punishment when this limitation is violated. As he is responsible for seeing that classes meet normally and regularly, he approves and passes activities that interrupt classes during the normal day.

In his other rolls, Mr. Ombry is the senior class advisor and the advisor of the Student Council.

Mr. Ombry is a graduate of Alma College with a BA degree, and from the University of Michigan with a MA degree.

Speaking of his philosophy of life, Mr. Ombry stated, "It seems to me not so important how a student learns, or the method he is taught, but that the attitude of the learner will strike educational sparks. That these sparks will cause intellectual excitement . . . emotional maturity and hopefully provide moral commitment to a cause which will benefit the learner's world.

*Mr. Strait and Mr. Ombry talk over a problem that has arisen.*

# And Guidance With Problems.

The guidance department, headed by Mr. James McGlaughlin, is a vital part of Bridgeport High School. The department itself is honored to again have Mrs. Dors Heilman on its staff. To strengthen the busy department, a new member, Mrs. Catherine Gutenkunst, has been added.

Guidance counseling has many roles, ranging from being a friend, to being a helpful advisor. Some of the many tasks involved are posting grades, making sure that students have enough credits to graduate, supervising the testing programs, and possibly the most important, helping students work out their problems.

Because of all the hard work and thoughtfulness of the guidance department, students at Bridgeport find their school days more enjoyable and rewarding.

Mr. James McGlaughlin

*"Give yourself every opportunity for self accomplishment and happiness. Never sell your interests and abilities short."*

Mrs. Dora Heilman

*"I have to believe that life is exciting, and the search for knowledge is its best excitement."*

Mrs. Catherine Gunekunst

*"You only get out of life what you put into it."*

Miss Sharon Gabriel has been a productive member of the Bridgeport High School staff for seven years. Six of these years were spent as math department secretary. She is presently in the main office doing switchboard, typing and general office work. Miss Gabriel spent two years at Ferris State College and also took a course at Saginaw Business Institute.

Mrs. Marianne Armstrong is BHS's General Office Manager. For eight years, she has been with our school system involved in jobs ranging from bus driver to secretary. Her duties include general office work and scheduling.

Mrs. Vernis Welling is our attendance secretary. She has been with Bridgeport High School for one and a half years.

## Vital Role.

Mrs. Jean Benway

Mrs. Peggy Metro, the IMC secretary has played a vital role in keeping our school system running smoothly for the last three years. Her duties include providing teachers with films and other educational material and general office work. She also spent one year as a teacher's aid for kindergarten here in Bridgeport.

Mr. Strait's secretary, Mrs. Kathaleen Agens, has been here one and a half years. Her duties include general office work.

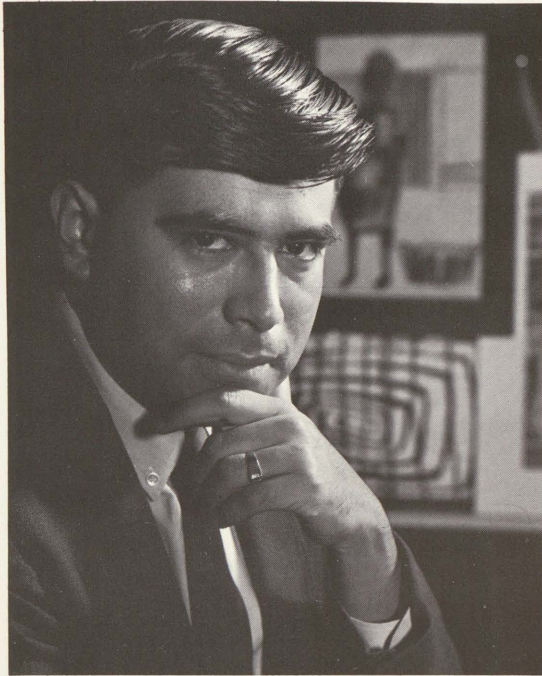

Mrs. Jean Benway has been with the Bridgeport system for eight years, six of them spent as guidance secretary. Her duties include appointments, college applications and general office work.

# Various Departments

Mr. Manuel Lopez

*"A philosophy is a way of feeling, an attitude towards life... therefore I believe in trying to fulfill my calling to the best of my ability, namely teaching. Working with young human beings is my greatest joy and privilege. Rare is the person who truly enjoys his job, I'm proud to say that I am such a person."*

Mrs. Mary Lee Cornford

*"Life should be a wide and varied complexity of experience with each experience being explored to its very fullest."*

The art department, headed by Mr. Manuel Lopez, who is a graduate of Central Michigan University with a BS degree, has done much to brighten the color of our school mosaic. The many displays put up in the art room are only small proof of this.

Such skills as sculpturing, painting, and drawing of interesting and beautiful designs are taught. To provide the right mood for creativity, records are brought in by students for enjoyment.

Mr. Lopez also is the advisor of the Art Club. This club was responsible for the decorating of the student lounge during homecoming week.

The home economics department teaches skills that are essential to having a good home. Mrs. Bamberlee Barnes, a senior member of the department is a graduate of Michigan State University with a BS degree. She teaches Home Economics II, home arts, and social living.

Mrs. Mary Lee Cornford, who joined the department this year, went to Albion College and MSU. She holds a BS degree in home economics and teaches home arts, tech survey, and Home Economics I.

Mrs. Bamberlee Barnes

*"Maturity is the sum total of one's reactions to one's experiences. If it is worth doing it is worth doing well."*

# Offer Enjoyment.

Mrs. Joan Haas

*"A God-given talent is a responsibility to fulfill one's destiny. Accept the challenge!"*

With a B.S. degree from the University of Michigan, and all of his enthusiasm, Mr. DeVere Fader has done a commendable job directing the Music Department. Assisting him in his work is Mr. George Klump, a graduate of Central Michigan with a B.M. degree. They have combined their talents to lead the bands in one of the most successful years since Mr. Fader came here.

Under their guidance, the concert, honors, and pep bands have performed at many varied occasions. Their performances were well appreciated by the students at Bridgeport High School.

Complimenting the musical side of the school's mosaic, is the vocal music department, staffed by Mrs. Joan Hass, a graduate of Central Michigan University with a B.S. degree. Mrs. Haas teaches the Art Choir and Glee Club.

While teaching here, she has attempted to instill in her students the value of music and how to appreciate its beauty. At the same time she has tried to familiarize students with the many types of music, broadening their interest in it. Teaching students to read music and to sing with others is Mrs. Joan Hass's main goal.

Along with her busy class schedule, Mrs. Haas also finds time to be the moderator for the newly formed group, the Madrigals.

Mr. DeVere Fader

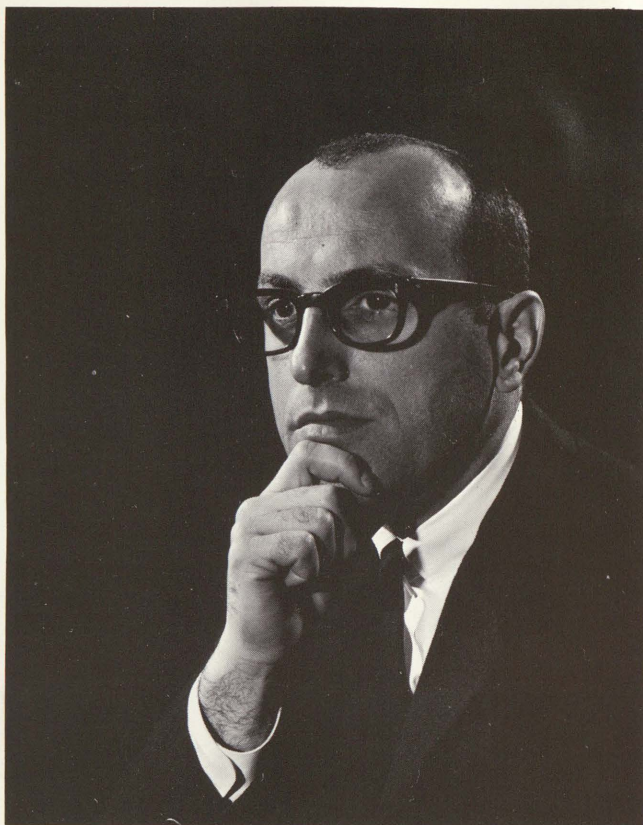

*"No excuses, just results. Life is too precious to be based upon alibis."*

# Business Opens

Although much time is devoted to college bound students and subjects, there is another side of the mosaic for those who are interested in a business career. The Business Department offers many classes to help students develop their talents.

The purpose of teaching business courses is to prepare students for facing the world as secretaries, accountants or perhaps future teachers in the field of business.

Mr. Jack Fletcher

*"All that can be asked of a person is that he live his life in a manner which is considerate of the rights and feelings of others."*

Mr. Robert Ramsey

*"Live and let live because you won't get out of life alive."*

Mr. James Gendregske

*"To live my life in such a way that I will always be considered an asset to my country, my family, and my fellow man."*

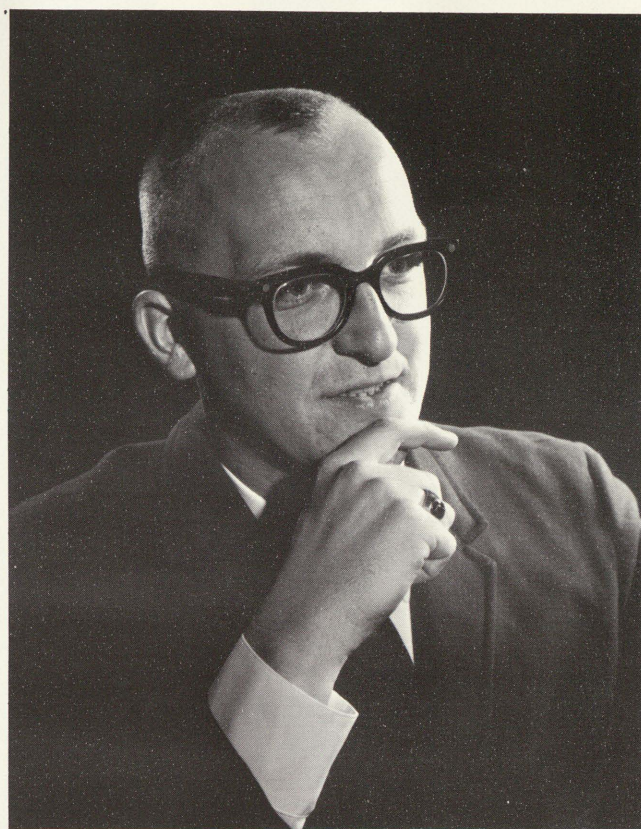

# Doors To Tomorrow.

Mr. Michael Howard

*"If you played your best and lost, be sad! If you played your best and won be glad!"*

Mr. Charles Ohmer

*"Drive safely, the life you save may be mine."*

Mr. Arlan Anthony

*"Honesty and hard work combined with a smile cannot fail."*

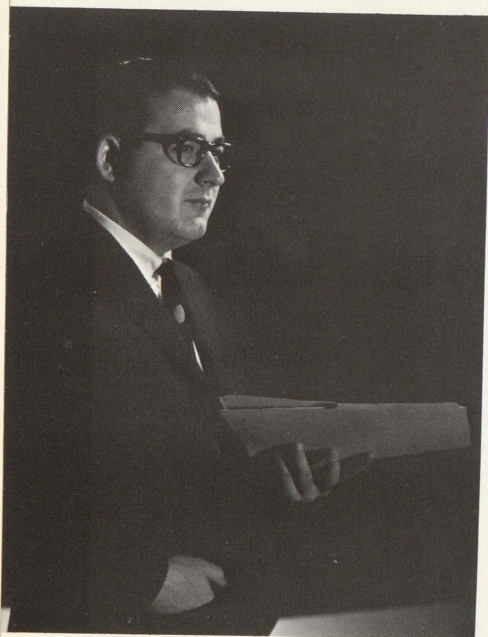

Mrs. Dorothy Fordyce  
*"There is no such word as can't."*

One of the most important parts of our school's mosaic is the English Department, because all students have English in some form every year. The main idea behind the teaching of our language is, of course, communication. Courses in advanced composition, and journalism are just a few ways in which the English Department is trying to establish better communication between students, teachers, and also the outside world.

Mrs. Dorothy Fordyce is the head of the English Department. She is a graduate of Central Michigan University with an A.B. degree. Under her is a staff of eleven well educated, capable teachers.

Besides teaching courses in English, a few of our teachers in the English Department also are supervisors to some of the clubs around Bridgeport High School. Mrs. Karen Corcoran is the advisor to the Human Relations Club. Mr. Ken Clark, the busy speech teacher, is advisor to the Speech Club as well as all activities surrounding the spring forensics contest.

## English

Mr. Gerald Brasseur  
*"Be alert and sensitive to life, so that each moment can be spent learning to be a more helpful person to others and to yourself."*

Mrs. Ann Kaiser  
*"People are intricate; never to be understood. Each day search to know yourself and strive to understand others."*

Mrs. Kay Hauswirth  
*"One's success is an intricate combination of four factors: Knowledge, ambition, determination, and a little luck."*

Mr. Bruce Averill

*"Always live your life in a manner that will enable you to view yourself in the mirror each morning and allow you to say to yourself, 'I did what I thought was best.'"*

Mrs. Karen Corcoran

*"Life should be a constant challenge. With effort, ambition, and strong will, no goal is unattainable."*

Miss Patricia Fijak

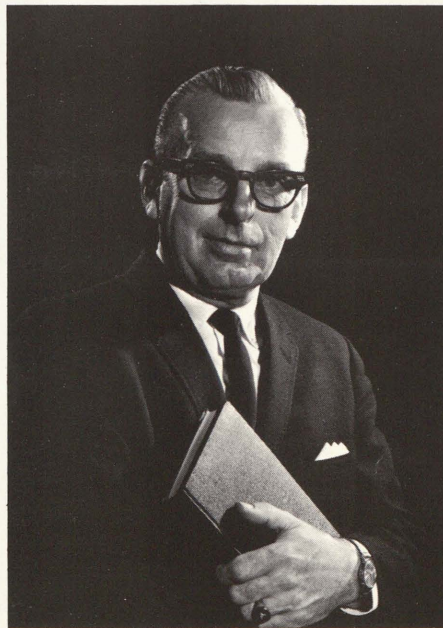

*"Dedicate yourself to something worthwhile."*

*Adviser to Broadcasting Club.*

Mr. John Owen

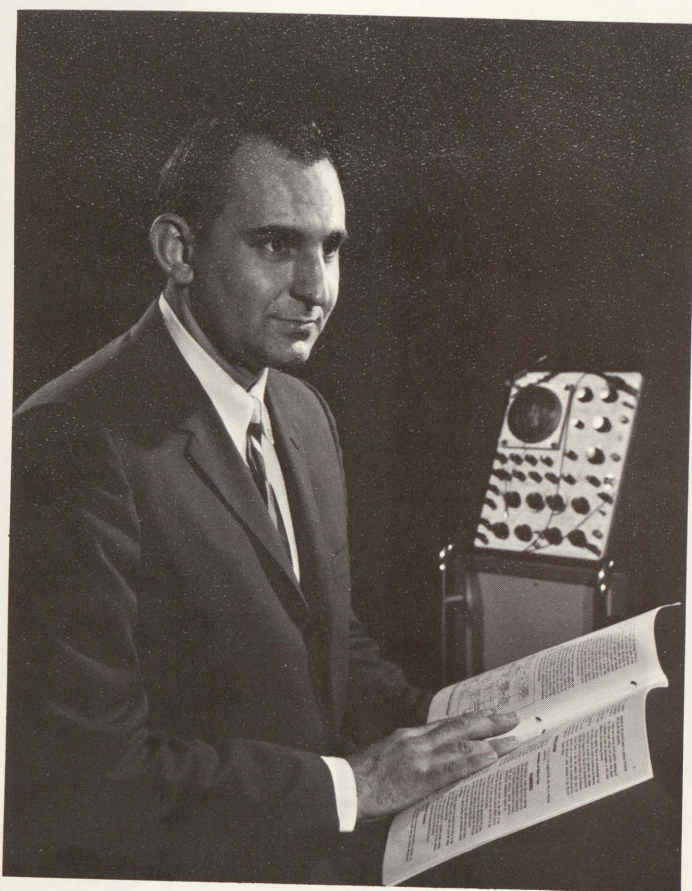

*"Perhaps our purpose in life is twofold: First, to discover our innate potential talents and to develop them to their fullest extent; and, Second, to direct these talents toward achievements which constructively contribute to our World Society. We may all be here for a purpose; unfortunately, most of us are too lazy to search for that purpose."*

Busy is the word that can be used to describe the Instructional Materials Center. The IMC produces many of the materials used for classroom instruction. All films, projectors, overheads and other teaching aids are handled through the IMC. It also handles all of the materials for the entire system.

Mr. Donald Borg is the head of this department. He is given assistance by Mrs. Metro. They have worked diligently to expand the IMC in order to fulfill the demands for supplies of the Bridgeport Schools.

# Industrial Education Department

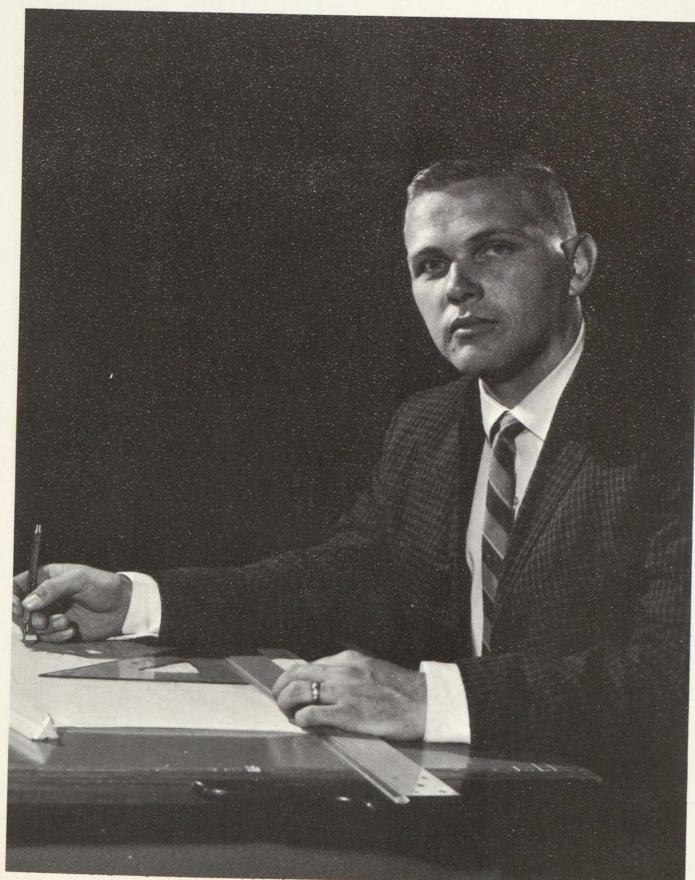

In the Industrial Arts Department, many additions have been made. A new drafting room and equipment are just a few of these additions that aid in the development of students' creative skills.

A new program for ninth graders has been started. The classes for this program include: electricity, wood shop, drafting and power mechanics. This program covers occupations offered in these areas, as well as a basic understanding and use of hand tools related to each area.

With these new additions, more students will be able to participate in industrial classes.

# Math Meets

Mr. Richard Thomas  
Adviser to the Ski Club

*"Because you must live your own way, do what you think is right and important."*

The Math Department has many functions. It lays the foundation for the more difficult college courses. The four year program prepares students to go immediately into a higher program. For other students, the Math Department will perform other functions. Math plays an important role in their lives too. The knowledge gained at B.H.S. will help them with everything from shopping to income tax. It teaches students to be more patient, to comprehend, to persevere, to reason logically, and to think constructively.

Mathematics of some sort influences every person and consequently the Math Department at Bridgeport High School also touches those students and prepares them for whatever needs they will have for it in the future.

Living in the computer age places great demands on our Math Department. They have met the challenge by providing a very full program with a wide variety of choices for every student. Bridgeport High School's Math Department has met the challenge well.

In this computer age, mathematics is an important part of every person's education and life. To prepare its students for involvement in such an age, Bridgeport High School offers a wide variety of courses. There are offerings geared for all kinds of learning from arithmetic to physics.

For the above average math students there is a four year continuing program starting with Algebra I in the ninth grade, followed by Geometry in the tenth grade, Algebra II and Trigonometry in the eleventh grade. This all ends with Algebra III and Trigonometry in the twelfth grade. All of these classes except Algebra III are open to students from higher classes than those specified. In these courses students are taught mathematics, from equations to graphing to calculus. The average student has a large choice of courses, consisting of various levels of mathematics, and many Tech courses.

## Science And Physical

BHS's Science Department, headed by Mr. George Burrows, is constantly working to reach its goals, to further constructive scientific thought and to acquaint the student with his environment.

New courses in this department are: Ecology, Geology, Aerospace, and the revised form of Advanced Biology, Human Physiology.

Mr. David Sommer  
Adviser to Biology Club

*"Life is like a time table of years and days. You can decrease it with happiness and success. Or you can increase it with sorrow and stress. Yes, life is a time table. And only you can control it."....*

Mr. William Schmitt  
Adviser to the Rally Club

*"Life is simply a series of variables and parameters. One must simply evaluate these properly to succeed in their desires, if the gods so will."*

# Education Builds Mind And Body

Anyone who had girls' physical education this year will agree, it was an exceptional year. Many new units were introduced to the students this year by Miss Ann Salsbury.

The gymnastics unit proved to be a favorite with almost everyone. New skills on the trampoline such as the swivel hips and straddle bounce, were taught. On the mats, tumbling, head stands, and many other varied skills were performed. Climbing ropes presented its share of fun and problems, too.

Another new unit was the unit on track and field. During the spring the girls went outdoors to run the track and to learn to broad jump, high jump, and to do other field events.

Many of the old favorite sections were brought back, too. The girls enjoyed volleyball and basketball very much. Each of these units were highlighted by tournaments between the gym classes to determine the school champions. Tennis was only a short unit, but it too was enjoyed.

Miss Ann Salsbury

*"A sound mind in a sound body is a prime necessity in our increased hours of leisure and in our tense, rushed war-threatened time."*

The boys shared an equally exciting year. Mr. Micheal Pintek, new at Bridgeport this year, taught the class.

Some of the units that he offered to his class were softball, baseball, volleyball. These gave the boys a little added challenge this year.

Besides the regular units that were offered, Mr. Pintek decided to add a little variety and change in the schedule for his classes. He gave the boys an opportunity to play soccer and to have a special unit in gymnastics. In soccer the boys learned such things as dribbling the ball, blocking the dribble, and other varied skills.

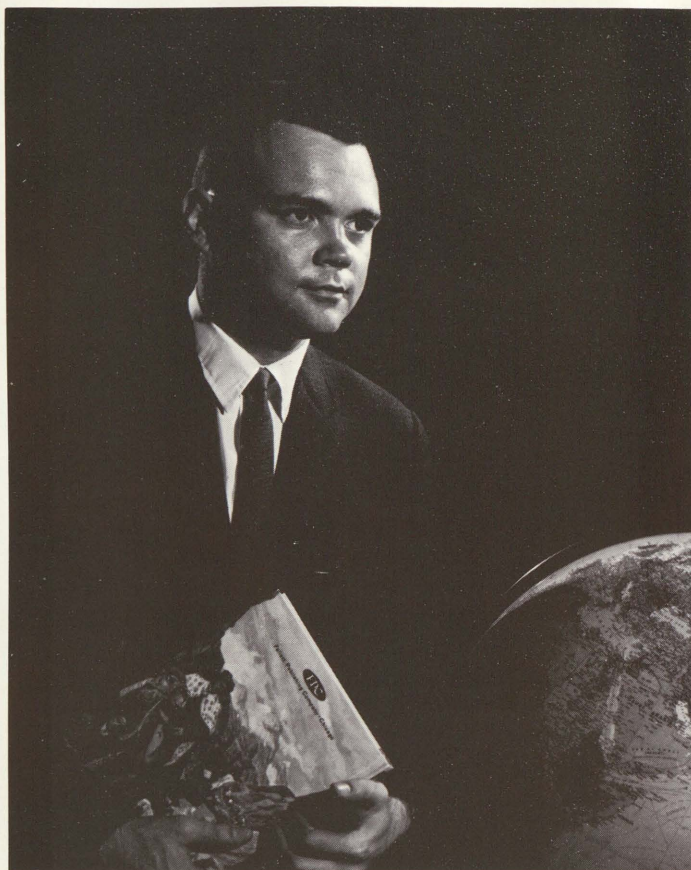

It was a very beneficial year for all in Mr. Pintek's gym classes.

Mr. Micheal Pintek

*"All men are created equal."*

## Social Science

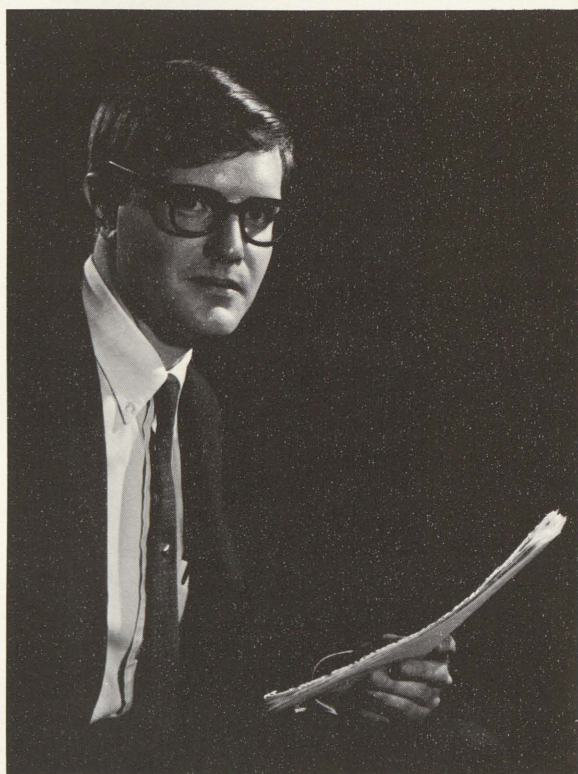

Mr. David Eurich

*"Find a worthwhile goal in every task you undertake and complete it. Take pride in what you can do and look upon your shortcomings as an experience to improve."*

Mr. Leonard Callard

*"Be fair."*

From the time a student enters B.H.S. he is involved in the Social Science Department. Freshmen have civics. Sophomores have the widest choice of courses of any class. Juniors and Seniors have U.S. History and Government respectively.

The Juniors and Seniors listened to Dr. Mudd and Mr. Sharif who spoke on Lincoln's assassination and John Wilkes Booth, and modern day Russia respectively. Seniors also had Senior Government Day and the War Game to add to their activities.

The knowledge and understanding gained from this department will help us to be better citizens.

*Mrs. Inez Schubert assistea Miss Davis in the library this year.*

*A multitude of books await curious students.*

As in any academic setting, the library is the scholastic center of Bridgeport High School. Within the library's walls are opportunities for vast expanses of learning.

Miss Carolyn Davis is the head librarian. During the 1967-1968 school year she was kept very busy keeping the many books in order.

Along with the North Central Accreditation Committee, Miss Davis was able to devise more effective ways of shelving and displaying books and also to acquire a wider variety of reading material.

Mrs. Inez Schubert assisted Miss Davis this year by typing and assisting students with finding material.

## Drivers Work Hard During The Year.

After a hard day's work, the bus drivers at Bridgeport put their buses back in the bus terminal. Here the buses are pictured in their stalls.

# Kitchen, Maintenance Staffs Keep

*PICTURED ARE:* Evelyn Puchel, Marie Ott, Joyce Yaklin, Eleanor Winters, Lucille Fijak, Ann Lee, Ann Stevens, Arlene Duffy, manager; and absent is Florence Dolson.

*Being a cook carries many responsibilities.*

*Here Mrs. Joyce Yaklin and Mrs. Eleanor Winters prepare to wash dishes.*

# School Operating Properly.

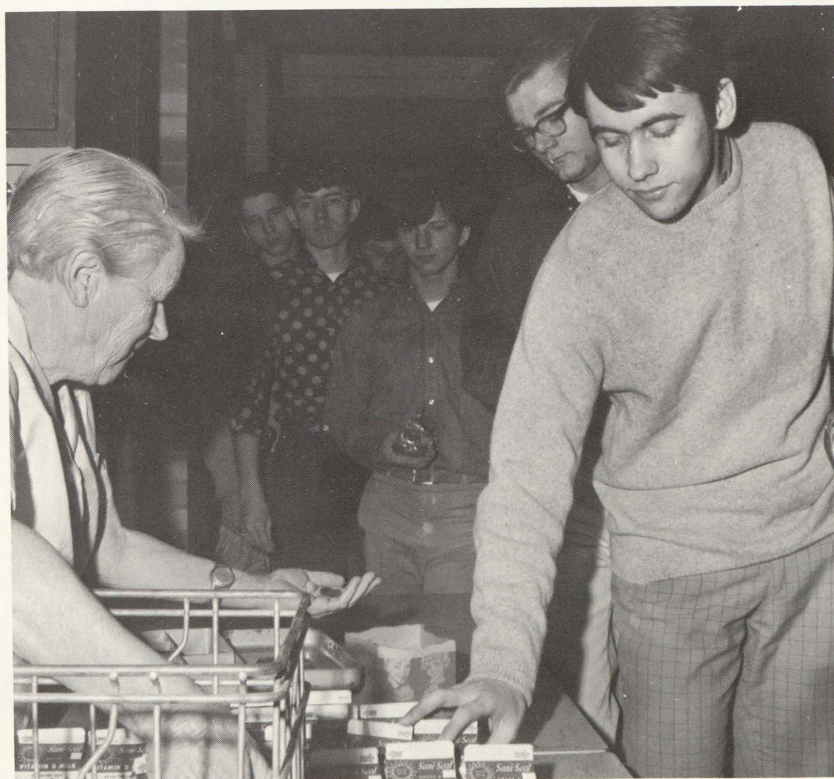

*FIRST ROW: Joe Louchart, Elizabeth Marshall, Paul Flohr, manager.  
SECOND ROW: John Ureche, Pete Rocha, and Ed Bovee.*

Both the kitchen and maintenance staffs are parts of the school that we should be extremely proud of.

The kitchen staff, headed by Mrs. Arlene Duffy, has prepared many fine, and interesting meals for BHS's students. Also as a part of their work, they plan menus so that the students will get a well-balanced and appetizing meal.

Also an essential part of Bridgeport High School's staff is the maintenance department. There were only six day crew members on this hard working team. After school work was taken care of by two other members of the janitorial staff.

Heading up this year's fine maintenance staff is Mr. Paul Flohr. He was the person most responsible for the efficiency of the maintenance department.

# ADVERTISEMENTS

Although geographically the merchants of Bridgeport, Saginaw and Frankenmuth are separated from Bridgeport High School, they are closely associated in other ways. These merchants have provided fine places for our students to shop and have helped sponsor many activities connected with the school.

The Era staff also thanks these merchants for purchasing advertising space in the yearbook. With their financial help, the production of the Era was made possible.
